---

This warranty is valid on Pergo Premium Click Vinyl Planks & Tiles and Pergo accessories. Pergo warranty can only be invoked if all of the following conditions have been fulfilled. In case of doubt, contact the manufacturer, distributor or retailer.

1. This warranty applies only to the first owner and the first installation of the product and is not transferable. The person deemed to be the first owner is the person stated as the buyer on the purchase invoice. This warranty applies to all purchases of the aforesaid first-grade Pergo product made after the edition date of these warranty conditions.
2. Flooring panels and accessories must be checked carefully for material defects under optimal light conditions before and during installation. Products with visible defects must not be installed under any circumstances. Installation implies acceptance. The distributor must be informed in writing of such defects within 15 days. After this time has elapsed, no further complaints will be accepted. Under no circumstances can Unilin bvba, division Flooring, be held responsible for any loss of time, inconvenience, expenses, costs or other consequential damages caused by or resulting directly or indirectly from a problem about which a claim was made.
3. This product warranty only applies to defects inherent to the material supplied. This is understood to mean any material or production defects, acknowledged by the manufacturer, including delamination, reduced resistance of the wear layer and water resistance of the panels.
4. All panels for the same commercial flooring project must be ordered at the same time. Compatibility of panels in repeated orders cannot be guaranteed.
5. Do not allow cigarettes, matches or other very hot items to contact the floor as this may cause permanent damage. Cleaning efforts involving too much water and making the subfloor and / or underlay wet and / or the use of inappropriate cleaning products must be avoided at all times.

**WARRANTY PERIOD AND VALUE**

---

1. This warranty is valid for 20 years on the product, and for life on the click joints of the flooring panels. The date of purchase is the invoice date. The original purchase invoice, duly dated and carrying the distributor's or retailer's stamp, will need to be submitted.

## SCOPE

---

1. The general Pergo 20 year residential warranty applies solely for indoor installations in a residential application. For other applications an individual written warranty must be requested from the manufacturer.
2. Pergo vinyl floor must be installed following Pergo installation method using the approved Pergo accessories. The customer/fitter must be able to provide proof of compliance with the manufacturer's installation and maintenance instructions. These instructions are located on the back of the cardboard packaging, and in each individual accessory packing. If the instructions are not there, they should be requested from the manufacturer, distributor/retailer or they can be consulted on the Pergo website. The customer/fitter must be able to provide proof that only the recommended Pergo accessories were used to install Pergo vinyl floor (identifiable from Pergo label). If installation is not performed by the end user, at least one copy of these installation and maintenance instructions as well as the warranty conditions (on Pergo website) must be provided to the end-user by the installer.
3. The lifetime warranty on the Pergo click joint only applies to permanent open joints wider than 0.3 mm. Damage to the product must be evident, measuring, per product unit at least one cm<sup>2</sup>, and must not be the result of abusive conditions or accidents, such as, but not limited to, damage of mechanical nature such as severe impact, scratching (for example caused by dragging of furniture, too sharp pet nails, etc.) or cutting. The feet of furniture must always be provided with appropriate protective material. Chairs, settees, sofas or furniture with castor must be fitted with soft wheels or an adequate protective mat or protective castor cups must be put under this furniture to avoid residual indentation since vinyl is a soft flooring material.
4. The ingress of sand and/or dust on to the floor must be prevented by installing a suitable non-rubber backed mat at all entrance doors.
5. This warranty does not cover damage to the product caused by:
  - Installation error. Pergo product must be installed following Pergo installation method using the approved Pergo accessories.
  - Accidents, abuse or misuse, such as scratches, blows, cuts or damage caused by sand and other abrasive materials, whether caused by a contractor, a service company, or end user.
  - Improper maintenance.
6. The floor may not be installed in areas where the flooring may occasionally be exposed to extremely high or low temperatures (such as saunas, non-heated mountain cabins etc.)
