The Pergo warranty can only be invoked if all of the following conditions have been fulfilled. In case of doubt, contact the manufacturer or distributors or retailers.

1. This warranty applies only to the first owner and the first installation of the product and is not transferable.
The person deemed to be the first owner is the person stated as the buyer on the purchase invoice. This warranty applies to all purchases of the aforesaid first-grade Pergo® brand product made after the edition date of these warranty conditions (see below).
2. Flooring panels and accessories must be checked carefully for material defects under optimal light conditions before and during installation. Products with visible defects must not be installed under any circumstances. The distributor must be informed in writing of such defects within 15 days. After this time has elapsed, no further complaints will be accepted. Under no circumstances can Unilin bvba, division Flooring, be held responsible for any loss of time, inconvenience, expenses, costs, or other consequential damages caused by or resulting directly or indirectly from a problem about which a claim was made.
3. "INSTALLATION IMPLIES ACCEPTANCE"
No warranty will be offered for appearance claims once the product is installed. The nominated party "owner, installer or representative" takes ownership and has final responsibility to ensure that they have received the correct product that was selected.
4. This product warranty only applies to defects inherent to the material supplied. This is understood to mean any material or production defects, acknowledged by the manufacturer, including the delamination or reduced resistance of the wear layer, staining and color fading.
5. The lifetime warranty on the PerfectFold 3.0 joint only applies to permanent open joints wider than 0.2mm.

WARRANTY PERIOD AND VALUE

This warranty is valid for life (limited to 33 years) on the product, and for life (limited to 33 years) on the PerfectFold 3.0 joints of the laminate flooring panels. For Pergo – Sensation, there is a water resistance warranty of 10 years (see conditions below).

The date of purchase is the invoice date.

SCOPE

1. The general Pergo warranty applies solely for indoor installations in a residential application. For other applications, please see "Commercial warranty" below. If the application does not come under the "Commercial warranty" either, an individual written warranty must be requested from the manufacturer.
2. The Pergo product must be installed following the Pergo installation method using the approved Pergo accessories. The customer / fitter must be able to provide proof of compliance with the manufacturer's installation and maintenance instructions. These instructions are located on the inside of the bottom of the cardboard packaging, the back of the insert label, or in each individual accessory packing. If the instructions are not there, they should be requested from the manufacturer, distributor / retailer or they can be consulted at www.pergo.com. The customer / fitter must be able to provide proof that only the recommended Pergo accessories were used to install the laminate floor (identifiable from the Pergo label). If installation is not performed by the end user, at least one copy of these installation and maintenance instructions as well as the warranty conditions (on back of the insert label or at www.pergo.com) must be provided to the end-user by the installer.
3. In addition to this the following must be considered:
 - Gloss changing is not surface wear. For these types of application, superficial surface scratches as a result of daily use have to be accepted.
4. The damage to the product must be evident, measuring, per product unit (panel, accessory, etc.) at least one cm², and must not be the result of abusive conditions or accidents, such as, but not limited to, damage of mechanical nature such as severe impact, scratching (for example caused by dragging of furniture) or cutting. The feet of furniture must always be provided with appropriate protective material. Chairs, settees (sofas) or furniture with castors must be fitted with soft wheels and/or an adequate protective mat or protective castor cups must be put under this furniture feet.

5. The ingress of sand and/or dust on to the floor must be prevented by installing a suitable mat at all entrance door(s).
6. The floor may not be installed in damp and/or humid areas or in extremely dry areas or areas where there are extremely high temperatures (such as saunas).
7. Cooking islands for kitchens and other very heavy objects should not be placed on top of the laminate. The laminate floor must be able to move around the heavy objects to avoid open joints and separating planks.
8. Moisture left on the floor, and on or around the skirting boards, wall bases or profiles, is to be removed immediately in all cases. Cleaning efforts involving too much water and / or the use of inappropriate cleaning products must be avoided at all times.
9. This warranty does not cover damage to the product caused by:
 - Installation error. The Pergo® product must be installed following the Pergo installation method using the approved Pergo accessories.
 - Accidents, abuse or misuse, such as scratches, blows, cuts or damage caused by sand and other abrasive materials, whether caused by a contractor, a service company, or end user
