GENERAL CONDITIONS

This warranty is valid on PERGO Vinyl Floor collections named Optimum / Premium and PERGO accessories. The PERGO warranty can only be invoked if all of the following conditions have been fulfilled. In case of doubt, contact the manufacturer, distributor or retailer.

1. This warranty applies only to the first owner and the first installation of the product and is not transferable. The person deemed to be the first owner is the person stated as the buyer on the purchase invoice. This warranty applies to all purchases of the aforesaid first-grade PERGO product made after the edition date of these warranty conditions.
2. Flooring panels and accessories must be checked carefully for material defects under optimal light conditions before and during installation. Products with visible defects must not be installed under any circumstances. Installation implies acceptance. The distributor must be informed in writing of such defects within 15 days. After this time has elapsed, no further complaints will be accepted. Under no circumstances can *Unilin bvba, division Flooring*, be held responsible for any loss of time, inconvenience, expenses, costs or other

consequential damages caused by or resulting directly or indirectly from a problem about which a claim was made.

3. "Installation implies acceptance"
No warranty will be offered for appearance claims once the product is installed. The nominated party "owner, installer or representative" takes ownership and has final responsibility to ensure that they have received the correct product that was selected.
4. This product warranty only applies to defects inherent to the material supplied. This is understood to mean any material or production defects, acknowledged by the manufacturer, including delamination, reduced resistance of the wear layer and water resistance of the panels.
5. The Lifetime (limited to 33 years) warranty on the PERGO click joint only applies to permanent open joints wider than 0.2 mm.

WARRANTY PERIOD AND VALUE

This warranty is valid for 20 / 25 years on the product, and for life (limited to 33 years) on PERGO click joints of the flooring panels.

The date of purchase is the invoice date. The original purchase invoice, duly dated and carrying the distributor's or retailer's stamp, will need to be submitted.

SCOPE

1. The general PERGO 20 / 25 year residential warranty applies solely for indoor heated (> 0°C) (32°F) installations in a residential application. For other applications, please see "Commercial warranty" below. If the application does not come under the "Commercial warranty" an individual written warranty must be requested from the manufacturer.
2. The PERGO vinyl floor must be installed following PERGO installation method using the approved PERGO accessories. The customer/fitter must be able to provide proof of compliance with the manufacturer's installation and maintenance instructions. These instructions are located on the back of the cardboard packaging, and in each individual accessory packing. If the instructions are not there, they should be requested from the manufacturer, distributor/retailer or they can be consulted www.pergo.com. The customer/fitter must be able to provide proof that only the recommended PERGO accessories were used to install PERGO vinyl floor (identifiable from PERGO label). If installation is not performed by the end user, at least one copy of these installation and maintenance instructions as well as the warranty conditions (on www.pergo.com) must be provided to the end-user by the installer.
3. In addition to this the following must be considered:
 - » Gloss changing is not surface wear. For these types of application, superficial surface scratches as a result of daily use have to be accepted.
4. The damage to the product must be evident, measuring, per product unit (panel, accessory, etc.) at least one cm², and must not be the result of abusive conditions or accidents, such as, but not limited to, damage of mechanical nature such as severe impact, scratching (for example caused by dragging of furniture, too sharp pet nails, etc.) or cutting. The feet of furniture must always be provided with appropriate protective material. Chairs, settees, sofas or furniture with castor must be fitted with soft wheels or an adequate protective mat or protective castor cups must be put under this furniture to avoid residual indentation since

vinyl is a softer flooring material. It is allowed to use a vacuum cleaner with soft edges and soft wheels on your vinyl floor. The use of a steam cleaner is forbidden.

5. The ingress of sand and/or dust on to the floor must be prevented by installing a suitable non-rubber backed mat at all entrance doors.
6. All panels for the same commercial flooring project must be ordered at the same time. Compatibility of panels in repeated orders cannot be guaranteed.
7. Do not allow cigarettes, matches or other very hot items to contact the floor as this may cause permanent damage. Cleaning efforts involving too much water and making the subfloor and / or underlay wet and / or the use of inappropriate cleaning products must be avoided at all times.
8. Cooking islands for kitchens and other heavy objects should not be placed on top the PERGO vinyl click (Rigid and LVT) floor covering. Never block a floating installation. The vinyl must be able to move around the heavy and/or fixed objects to avoid open joints and separating planks.
9. This warranty does not cover damage to the product caused by:
 - Installation error. PERGO product must be installed following PERGO installation method using the approved PERGO accessories.
 - Accidents, abuse or misuse, such as scratches, blows, cuts or damage caused by sand and other abrasive materials, whether caused by a contractor, a service company, or end user.
 - Improper maintenance.
 - The floor may not be installed in areas where the flooring may occasionally be exposed to extremely high or low temperatures (such as saunas, non-heated rooms, etc.). Ensure that the indoor climate conditions are always kept > 0°C (32°F) and preferably between 18-30°C (64-86°F).

COMMERCIAL WARRANTY

This commercial warranty is valid for PERGO vinyl for a period of 5 / 10 years from the date of purchase by the original buyer (the original invoice serving as the sole valid proof of purchase) for indoor commercial applications inside buildings under all of the above mentioned conditions. In addition to this the following must be considered:

- Gloss reduction is not surface wear. It may be necessary to apply a new surface coating periodically. For these types of application, superficial surface scratches as a result of daily use have to be accepted.
- An appropriate industrial dust collection and cleaning zone must be installed in areas with immediate access to the street traffic.
- In addition, metal PERGO profiles must be used for commercial applications.

The above mentioned commercial warranty does not apply to:
