Floors for real life – in real life

Pergo offers three flooring categories that each offer a unique set of characteristics. From the natural beauty of wood, or the durability of a laminate or vinyl floor. Our wide variety of colours, surface textures, plank sizes and more invites you to create countless unique floor designs that merges architectural objectives with practical considerations. On the following pages you'll find some real-life projects from all over the world.

FR | Floors for real life – en vie réelle. Pergo propose trois catégories de revêtements de sols, offrant chacune des caractéristiques uniques. Que ce soit la beauté naturelle du parquet ou la durabilité d'un sol stratifié ou vinyle. Notre large éventail de coloris, de textures de surfaces, de dimensions de lames et bien plus encore, vous invite à créer des décors uniques et illimités qui allient objectifs architecturaux et considérations pratiques. Aux pages suivantes, vous trouverez des projets réels à travers le monde.

ES | Floors for real life – en la vida real. Pergo ofrece tres categorías de suelos con una serie de características exclusivas. Desde la belleza natural de la madera hasta la durabilidad del suelo laminado o de vinilo. Nuestra amplia variedad de colores, texturas superficiales, tamaños de tablón y demás le invita a crear innumerables diseños de suelos exclusivos que combinan los objetivos arquitectónicos con las consideraciones prácticas. En las siguientes páginas, encontrará algunos proyectos reales repartidos por todo el mundo.

CZ | Floors for real life – v reálném životě. Společnost Pergo nabízí tři kategorie podlah, z nichž každá má jedinečný soubor charakteristik. Od přirozené krásy dřeva po trvanlivost laminátové nebo vinylové podlahy. Náš široký výběr různých barev, povrchových struktur, velikostí lamel apod. vás zve k vytváření bezpočtu jedinečných návrhů, které slučují architektonické cíle s praktickými faktory. Na následujících stranách najdete několik skutečných projektů z celého světa.

NL | Floors for real life – voor het echte leven. Pergo biedt drie vloercategorieën die elk een unieke set kenmerken bieden. Van de natuurlijke schoonheid van hout tot de duurzaamheid van een laminaat- of vinylvloer. Ons brede assortiment aan kleuren, oppervlakt texturen, plankformaten en meer nodigt u uit om talloze unieke vloerontwerpen te maken waarin architecturale doelen hand in hand gaan met praktische overwegingen. Op de volgende pagina's vindt u ter referentie een aantal uitgevoerde internationale projecten.

IT | Floors for real life – nella vita di tutti i giorni. Pergo offre tre tipologie di pavimenti con caratteristiche uniche. Dalla bellezza naturale del legno alla durezza del laminato o del pavimento in vinile. La nostra ampia varietà di colori, texture di superficie, dimensioni delle tavole e molto altro ancora invita a creare infiniti design unici che abbinano obiettivi architettonici a considerazioni pratiche. Nelle pagine seguenti, troverai alcuni progetti reali da tutto il mondo.

PL | Floors for real life – w praktyce. Pergo oferuje trzy kategorie produktów podłogowych, które odznaczają się wyjątkowymi cechami: od naturalnego piękna drewna po trwałość podłóg laminowanych i winylowych. Nasza szeroka paleta kolorów, struktur oraz rozmiarów desek daje możliwość tworzenia niezliczonych i niepowtarzalnych projektów łączących potrzeby architektoniczne z rozwiązaniami praktycznymi. Na kolejnych stronach przedstawiliśmy rzeczywiste projekty z całego świata.
